DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed August 9, 2007 is not fully responsive to the prior Office action because:

Applicants fail to rebut Examiner's rejection of claims 1, 5, and 9 under 35 U.S.C. 112 1st paragraph as failing to comply with the written description requirement (see Office action 5/9/07 page 6).

The response appears to be *bona fide*, but through an apparent oversight or inadvertence, consideration of some matter or compliance with some requirement has been omitted. Patent owner is required to supply the omission or correction to thereby provide a full response to the prior Office action.

A shortened statutory period for response to this letter is set to expire (a) ONE MONTH, or THIRTY DAYS (whichever is longer), from the mailing date of this letter, or (b) after the due date for response to the last Office action, whichever of (a) or (b) is longer. THE PERIOD FOR RESPONSE SET IN THIS LETTER MAY BE EXTENDED UNDER 37 CFR 1.956.

If patent owner fails to timely supply the omission or correction and thereby provide a full response to the prior Office action, the consequences set forth in 37 CFR 1.957(b) or (c) will result. See MPEP § 2666.10.
